Vintage 2016

**Givry 'Clos de Mortières' 2016** ..... 16.5/20  
« Lightish crimson. Attractive, light, smoky reduction at this young stage. Scented on the palate, juicy and beautifully fresh. This is fragrant but still has good fruit depth at the core. Very good and GV. (JH) »

**Givry Premier Cru 'Servoisine' 2016** ..... 16.5/20  
« Mid cherry red. Expressive aroma of rich red fruit with a cedary counterpoint, perhaps just a hint of smoky reduction (attractive and probably temporary). Firm but rounded tannins, lightly chewy, with excellent density at the core. Great harmony and length and good ageing potential. GV (JH) »
